

Life's Lessons for Liam Michael McKenna

Learn something new everyday and you will never be bored
It is only considered a failure if you haven't tried
A talk with Dad now can prevent problems for you later
Make time to talk whenever someone is there to listen

Many times the best thing you can do is be there
Inner strength can always be found if you look hard enough
Climb the ladder of life one rung at a time
Having faith in other people doesn't mean you must always agree with them
Anytime someone says you can't do something, prove to them you can
Everytime you make someone smile they will always be thankful
Laughter is the key to getting through tough times

Mom will always worry about you whenever you leave her
Caring about people is never wrong
Keep your sense of humor when times are tough
Enjoy the simplest things in life now, they don't last forever
Nice things come to those who wait
Nicer things come to those who give them
All of life's lessons must be learned rather than taught
